Chair Report

Steering Committee Meeting Teleconference April 2020

1. Spring Business Meeting

Our spring Business Meeting will be held on Tuesday, May 5 at 1:00 PM via Zoom. Please save the date!

2. Conference Cancellation

Worked with members of MARAC Executive Committee to plan for the cancellation of our spring meeting due to COVID-19 pandemic.

3. Meeting Model Task Force

Worked with Task Force Chairs Hillary Kativa and Elizabeth Scott to appoint committee members:

- Bethany Antos, Rockefeller Archive Center
- Kerri Anne Burke, Citigroup
- Tabitha Cary, Cornell University
- Lorna Loring, Handley Regional Library
- Michelle Novak, Rutgers University

4. Advocacy

Sent NARA/NHPRC advocacy call to Caucus Reps for distribution to members. <u>http://historycoalition.org/2020/03/02/ask-your-house-member-to-sign-letter-in-support-of-increased-funding-for-nara-and-nhprc/</u>

5. Diversity Award and MCC Activities

Assisted the D&I Committee and MCC with the standardization of a session proposal form.

6. Midwest Archives Conference Outreach

Corresponded with MAC leadership about future partnerships. There is some interest in a future joint meeting. Also corresponded about how to handle COVID-19 conference cancellation.

7. MAA Column

Submitted and later revised last MAA column as Chair. Thank you for the opportunity to serve MARAC as Chair!

Respectfully submitted, Rachel Grove Rohrbaugh Chair, 2019-2020

ADDITIONAL INFORMATION

Spring 2020 Harrisonburg Conference:

Preparation: I processed participant and vendor registrations and coordinated with the LAC regarding meals, name badges, reception tickets, and A/V supplies.

Cancellation: I issued online refunds to registrants and coordinated check refunds with Treasurer. I provided a master list of all transactions to Treasurer. I coordinated with the Vendor Coordinator to issue refunds to vendors or transfer their registrations to Long Branch. I also issued refunds to sponsors.

Fall 2020 Long Branch Conference: I transferred vendor registrations from Harrisonburg to Long Branch and continued to process sponsor registrations. I've worked ahead with the LAC to prepare the registration form, name badge layout, and reception tickets. I drafted the email messages pertaining to the conference and the meeting and workshop evaluation forms.

Spring 2021 Saratoga Spring Conference: I prepared the vendor registration form.

Elections: Voting took place from January 23rd to February 6th. 343 of the 804 members at the time voted. A special election will be held in May to replace the newly elected New Jersey Caucus Rep who had to decline the position.

Membership: I created the membership survey in SurveyMonkey, distributed the survey to 836 members, and provided the results to Sara Borden.

Mid Atlantic Archivist: The MAA spring edition (Vol. 49, No. 2) was published electronically on March 25, 2010. The printing and mailing of paper copies has been postponed until May due to the closure of the Dickinson Print Center because of COVID-19. Members who receive paper copies were notified and offered the opportunity to opt out of the paper copy for the spring edition only.

Communications Committee: I attended the committee meeting held via Zoom on April 7th to coordinate administrative support for upcoming initiatives.

MemberClicks: I've begun to review the membership database in preparation for membership renewal for the 2020-2021 membership year.

| Re: | Treasurer/Finance Committee Report |

Respectfully submitted to the Steering Committee on Friday, April 10, in advance of the Spring 2020 Steering meeting through Zoom on April 16, 2020.

- 1. Highlights of the Third Quarter Treasurer's Report (see attached) are listed below.
 - The income is from membership dues, conference income (mostly vendors have chosen to forward their money to Long Branch or other conferences, but some of this money will be refunded in Q4), publication advertising and sales, bank interest, donations, and a refund from the Cambridge conference hotel.
 - Expenses are from administrator salary and phone, Survey Monkey renewal, FY19 tax preparation, MAA printing and postage, Cambridge name badges and reception tickets printing, printing and postage for the Membership Committee postcard, a deposit for the Long Branch reception, and banking fees.
- 2. Average returns on investment for MARAC's accounts during the previous quarter (rounded to the nearest hundredth of a percent) are listed below.
 - PNC Savings Account .042%
 - Vanguard Bonds .38%
- 3. The Harrisonburg, VA (Spring 2020) report is not ready yet. The hotel did not enforce their \$17,000 cancellation fee, keeping only the deposit. Mary Mannix is attempting to reschedule the booking for spring 2022, so the deposit will be reported on that report and not this one. Expenses were minimal, and I need to wait for the Dickinson invoice to know how much we spent on printing and mailing the program. Sara spent a lot of time on the cancellation administration, and our credit card processing expenses were way higher than normal because we reversed all of the charges. What are your thoughts on the \$5,000 Administrative Services line, and adding additional credit card charges to the report?
- 4. The Long Branch (Fall 2020) proposed budget (see attached) is presented for the review and approval of the Steering Committee. Note the much higher registration fees. I played with numbers to get the 250 registration number into the black, though the conference is very likely to reach the 300-350 registration numbers due to the conference's proximity to NYC and Philadelphia. Food price points are different at 250 that is a deliberate

choice of the LAC and reflects different selections. AV prices are based on Cambridge's final costs, since the same vendor is involved.

- 5. The FY21 proposed budget (see attached) is presented for the review and approval of the Steering Committee. Things largely stayed the same one big difference is the increase in the Membership Committee's budget to allow for subsidization of the Meet and Greet events at conferences. Shortfalls should be made up with sponsorships, and the event should not be held if or should be greatly curtailed if sponsorships cannot be acquired. LACs are in charge of procuring space and ordering food for the event if it is to be held in the conference hotel, just like they do for Steering meetings.
- 6. The Finance Committee discussed the decrease in Sara's billable hours due to how she has embraced efficiencies. We will have more information and recommendations available in the summer.
- 7. NEEDS A STEERING VOTE: Finance proposes the creation of additional awards for the Long Branch conference in order to help offset financial ramifications of the COVID-19 pandemic. Based on similar awards made available for Morgantown after the 2019 federal government shutdown. Motion: up to 5 additional awards of \$400 each to pay for registration, travel, lodging, and food for the Long Branch conference, paid out of the Archival Education Fund.

MARAC Meeting Model Task Force Report to Steering Committee - April 2020

Call for participants circulated to MARAC membership on 2/26/2020. From 16 responses, the following individuals were selected to serve on the task force:

Bethany Antos, Rockefeller Archive Center Kerri Anne Burke, Citigroup Tabitha Cary, Cornell University Lorna Loring, Handley Regional Library Michelle Novak, Rutgers University (student)

Project Overview/Timeline

- April-July 2020: Task force reviews possible meeting models, pros/cons, member interest, financial implications, et cetera.
- July 2020 (summer Steering meeting): Task force presents report with recommendations to Steering.
- July-October 2020: Task force gathers any additional information and reports out to membership as appropriate.
- October 2020 (Long Branch meeting): in-person reports to membership (Business meeting and/or town hall); other activities as needed to proceed with work.

Work/Updates Thus Far

Task Force met via Zoom on 4/7/2020. Identified initial tasks and team assignments as follows:

- Reach out to other archival organizations about meeting models (Kerri-Anne, Michelle),
 - Initial tasks: identify comparable archival organizations to survey; draft questionnaire or other tool(s) for collecting info on meeting models and preferences.
- Interview former MARAC PC/LAC Chairs (Bethany, Tabitha)
 - Initial tasks: draft questionnaire or other tool(s) for interviewing former PC and LAC chairs about their experiences and perspectives on MARAC's current meeting model.
- Outreach to vendors (Lorna, Michelle).

Task Force scheduled to meet via Zoom the week of April 27th to review initial work and discuss next steps re outreach to other archival organizations, PC/LAC Chairs, and vendors.

Re: Zoom account for MARAC

Date: April 1, 2020

Summary

On March 24, 2020 Paige and I reached out to a Zoom sales consultant regarding the purchase of a plan for MARAC. Unfortunately, right now they are so swamped with new requests, he just told us the pricing plans and to sign up online for whatever one we wanted. If we do sign up, there is access to training videos and other resources.

After reviewing the plans (<u>https://zoom.us/pricing</u>) we have decided the best plan for MARAC would be the Pro Plan which is set at \$14.99 per month. If you pay an annual subscription in full at the time of purchase, you save \$30.00. The total cost would be \$149.90 rather than \$179.88. This was also the plan that Penn State was using for their webinar series Connect & Communicate. We recommend purchasing the annual subscription up front to save money.

The Pro Plan comes with the following features:

- All basic features
 - Closed captioning feature, breakout rooms, white board, etc.
- Meeting duration limit is 24 hrs
- User management
- Admin feature controls
- Reporting
- Custom Personal Meeting ID
- Assign scheduler
- 1GB of MP4 or M4A cloud recording
- <u>REST API</u>
- Skype for Business (Lync) interoperability

We asked the sales consultant for clarification about logins vs. hosts. With this plan you get one host where another plan can have up to ten hosts. Here is the answer:

1. One license can host one meeting and that one license is meant for one user with one email for one log in. They are individual licenses for individual subscriptions. Small and large organizations will typically buy a package of licenses depending on what their needs are. We did want to know about closed captioning as we agreed that was an important feature to have access to. Here is the sale consultant's response:

2. Zoom is very ADA friendly! We do have CC as well as a few other features:

- <u>https://zoom.us/accessibility</u>
- <u>https://support.zoom.us/hc/en-us/articles/207279736-Getting-started-with-closed-captioning</u>
- <u>https://support.zoom.us/hc/en-us/articles/115003498783-Viewing-Closed-Captions</u>

Lastly, we asked about transcripts. While we would get an audio recording of the Zoom meeting, we would NOT get a typed out transcript of the meeting or the chat that occurred. That is only available on higher plans. See his response:

3. We do offer transcripts, however that feature is within our Business and Enterprise plans.

If we wanted the transcripts, we would need to upgrade which is a significant cost. The next plan up costs nearly \$2000.00 per year.

Pros

• "Join from your browser" link which allows participants to bypass the Zoom application download process, and join a meeting directly from their browser. This is a workaround for participants who are unable to download, install, or run applications. Note that the meeting experience from the browser is limited but this would work for employees at institutions such as NARA or others who currently cannot download applications to their computers.

Cons

• No transcripts. Only available with Business and Enterprise plans so would require an upgrade for this feature. We would receive an audio transcript so would still have a record of a meeting/workshop which might suffice at this point.

To view an example of what an audio transcript would look like, here is a link to a very brief (6 second) transcript from my work Zoom account.

 $\label{eq:https://esu-online.zoom.us/rec/share/5JxYMJrS7nhOZpH1wUzYB4IbHYjleaa80yIX-acLmhwdI8FOKPxZgJx4tPnTd9OA$

The only way to get that is to upgrade which is really pricey.

- The Pro plan would only have 1GB of storage on the cloud for recordings. While this seems like a lot, it will fill up quickly and since the files are large, for someone to record a Zoom session to their personal computer could be a space issue. For an additional \$40 per month, you can purchase more storage. However, at this time, we do not feel we need this option either until we have used the product and tested it further.
- There is only one login associated with one email. We believe that only a limited number of people would be scheduling Zoom meetings (Chair, Education Committee Chair, Sara) so this could either be seen as a pro or con. We could also designate one or two people to set up the meetings who knew the login and password. This is something that could be discussed once purchased. We can also look into pricing for multiple licenses like educational institutions have but we believe that we do not need this feature at this time as individual MARAC members do not need their own account.

Additional Information

There is a "webinar" option with some of the higher plans but once we researched that option, we realized MARAC does not need that. That is to hold webinars with up to 10,000 participants and allow people to purchase things during the webinar. This was an upgrade that we did not need.

In recent weeks, there have been security issues regarding Zoom such as hackers breaking into meetings. This can be solved by adding passwords to join meetings where hosts need to confirm each person is allowed in the meeting. Also, Zoom has announced more bugs are being fixed and more security is being worked on in response to these issues.

Recommendation

Our recommendation is that MARAC start with the Pro Plan and then buy add-ons for storage or upgrade to a different type of account in the future. We believe this plan will be sufficient for the needs of the mentoring group, Steering meeting, and future online educational opportunities at this point in time. The pricing for the next plan up costs almost \$2,000 and at this time, we do not believe that plan is necessary.

Many current MARAC members have their own institutional accounts and we believe they would be willing to show and train others on the product. There are also lots of live trainings and pre-recorded trainings available for help.

MARAC Historian Report April/2020 (for the MARAC Steering Committee Meeting; conference call)

As you all know, the coronavirus pandemic has disrupted our work routines to a considerable extent. My last day working at the University of Maryland campus was on March 12th; I have not been cleared to re-enter Hornbake Library since then.

A few days before this situation manifested itself, I was able to participate in a conference call with my colleagues on the Distinguished Service Committee; members of that committee have made a good selection for the 2020 award out of an outstanding cohort of nominations.

Recently I have also volunteered to work as an ex-officio member of the newly-formed Meeting Model Task Force.

And as with all of you I'm sure, it was crushing to learn about the cancellation of the Harrisonburg meeting, but I believe it was certainly the only step MARAC could take, given the existing circumstances. My heart goes out to the Local Arrangement and Program Committees for all the excellent work that they did to prepare for this meeting. Perhaps we can make it to Harrisonburg sometime in the future.

MARAC Archivist Report

April 2020

Joanne Archer, Head of Access & Outreach Services, Special Collections and University Archives, University of Maryland Libraries, and I met online regarding the procedures for ingesting the digital version of the *Mid-Atlantic Archivist* into the Internet Archive. Joanne wrote an overview of UMD's role as the archival repository for MARAC's records and explained SCUA's digital content strategy for MARAC in terms of DRUM, Archive It, and the Internet Archive. I wrote a draft of the workflow for the ingest. Then I supplied Jodi Boyle with the overview and the workflow.

I was to serve as the moderator for "S2. Recent Archival Research by Graduate Students" at the spring 2020 meeting in Harrisonburg, Virginia. The decision to cancel the conference was, I am sure, a very difficult one. Nevertheless, it was the right decision. The coordination it took for its cancellation and the transparency with doing so should be commended.

Since March 12, 202, the majority of the Special Collections library staff have been urged not to visit the facility. I have been teleworking since that time. I am especially grateful for the assistance of MARAC Historian Lauren Brown during this challenging time. Thanks to his efforts, the most recent query for a historical survey in the MARAC Archives was handled thoroughly before the full shutdown.

Web Team Report

Steering Committee Meeting April 16, 2020

Web Team members: Liz Caringola, Anastasia Matijkiw, Laura Montgomery, Don Sailer

Updates since the last Steering Meeting:

The new template for Upcoming Conferences is live! Each conference has a separate page, which we hope will make the site easier to use. Liz took the lead on creating the new template. Conference PC and LAC chairs can contact the webteam (<u>maracwebteam@gmail.com</u>) to request updates to their conference pages.

As the Upcoming Conference template is live, , the Web Team is moving to discuss long terms plans for new ways to enhance and improve the experience for users on the MARAC website as well as identify pages that need to be re-designed, including the Archives, About, and Previous Conference pages.

We are continuing to work on a proposal to establish guidelines regarding the job ads that we post on our site. We hope to submit this proposal at the next Steering committee meeting.

We also ask committee chairs and caucus reps to double check your page(s) on the MARAC website. Please contact us at <u>maracwebteam@gmail.com</u> if you notice any issues or if you would like to make any updates.

Web Team Member Update

Liz, who has been co-chair of the Web Team since it was created in 2015, will be transiting off the team at this end of this term. Laura will be taking over the role as co-chair. Don and Anastasia will continue for another term.

Other tasks include:

- Laura updated the Job Opportunities page
- Don and Liz updated the Web Team Operations Manual
- Don updated committee pages as requested.
- Liz and Don updated caucus pages and assisted caucus reps and committee chairs as requested.

Spring 2020 MARAC Steering Committee Report

- Continuation of conversation from Winter Steering Committee meeting
 - Request from RAAC for contact list or directory of vendors who sponsor or participate in events. This would not be the general main contact information for sales, but rather for their reps who schedule and set-up exhibits or financially sponsor archival conferences/events. The end goal is to obtain lists from different regionals to maintain a ready-resource list for conference coordinators.
- No contact from RAAC since last Steering Committee meeting. Current status of operations or activities unclear. Unlikely RAAC will be able to meet Sustaining Membership level for NCH in near future.

Spring 2020 NATIONAL COALITION FOR HISTORY Report MARAC Steering Committee Meeting, April 16, 2020

NCH TESTIMONY URGES SENATE TO INCREASE FUNDING FOR NARA AND NHPRC: In late March, NCH Executive Director Lee White submitted testimony to the Senate Appropriations Committee on the Administration's proposed fiscal year (FY) 2021 budget for the National Archives and Records Administration. NCH criticized the proposed \$2.1 million reduction in Operating Expenses (OE) for FY 21, down to a level of \$356.9 million. NCH asked the committee to increase NARA's OE budget by 10 percent, up to a level of \$395 million. Specific NARA funding requests included: Improving Veterans' Access to Their Military Records; Digitization Initiative at Archives II; and the Civil Rights Cold Case Initiative.

NCH also supported an increase of \$500,000 for the National Historical Publications and Records Commission (NHPRC) grants program bringing the agency's funding up to \$7 million in FY 21. This program has repeatedly been targeted for elimination by the Administration.

WAY TO GO, NARA! Four preservation and conservation specialists at the National Archives and Records Administration did some quick thinking and realized the equipment they use to deal with records damaged by floods, fires, or mold could help doctors and nurses fighting the Coronavirus. Motion picture preservation specialists Heidi Holmstrom and Audrey Amidon, and Conservation Lab employees Rachel Bartgis and Vicki Lee asked NARA leadership about donating supplies to the pandemic. Late last month, NARA sent N-95 masks, nitrile gloves, gowns, and Tyvek suits to the Washington, D.C.'s Emergency Management Response Team, which is working with the Department of Health and Human Services to distribute and reallocate the donated supplies. "I know what we have is only a drop in the bucket," Amidon said, "but they're on our shelf and could help save lives."
