**West Virginia Caucus Report  
Steering Committee Meeting  
January 28, 2021**

1. The West Virginia Caucus met monthly from November 2021 through January 2022.
2. Work on the wikipedia list of West Virginia archival institutions continues. Elizabeth James sent a message to all institutions on the list to make sure they wanted to be included in December. They were also invited to attend future caucus meetings. Ashley Brooker has started the wiki page and committee members are sharing the labor of adding short descriptions for each archive. The page is slated for completed in February 2022.
3. During the January meeting, caucus members discussed mentoring and archives support services for archives across the state after receiving a request from Bethany College libraries. A first step will be to update the caucus webpage or another site with appropriate resources. This will be the caucus' next small project.

Respectfully submitted,

Lori Hostuttler  
West Virginia Caucus Representative
