RE: Chair's Report

- 1. Borden has been pulling together feedback from a summer listening tour with Steering stakeholders to create a framework for our next strategic plan, to be discussed in October and January.
- 2. Borden has been working with Vicki Russo, chair of the Membership Committee, to figure out the best course of action for the Mentoring Subcommittee and its relationship with the Membership Committee.
- 3. Borden has been drafting an organizational chart for MARAC to help clarify its structure.
- 4. Borden has been very busy assisting with the preparations for the 50th anniversary and methods for honoring our founders and founding members.
- 5. Borden has been attempting to create a list of resources for future conference planning in terms of accessibility needs and costs.
- 6. Borden drafted questions for the federal nominee for the Archivist of the United States for inclusion with the questions submitted by the National Council on History. The questions submitted to NCH were on the subject of protecting NARA's position in the federal government, with particular regards to the privatization of George W. Bush Library and the seizure of classified documents from Donald Trump's private estate. More information regarding MARAC's advocacy efforts in this area will be forthcoming.

# From: Amy Fitch, MARAC Treasurer RE: Treasurer/Finance Committee Report

Respectfully submitted to the Steering Committee on Friday, October 14, in advance of the Fall 2022 Steering meeting to be held in College Park, Maryland, on October 19, 2022.

1. Highlights of the First Quarter Treasurer's Report (see first attachment) are listed below.

- The income is from membership dues; conference registration, vendors, and sponsors; publication sales and advertising; bank interest; and individual donations.
- Expenses are from Administrator salary and phone; MemberClicks and other web service annual fees; conference-related printing and postage; Caucus events; expenses related to the Fall conference; awards; and banking fees.
- Expenditures from restricted funds were for the Diversity and Inclusion Scholarship.
- The quarter ended with a net gain of \$74,572.13, because the income from the Fall conference was realized in this quarter while the expenses will be incurred in the second quarter. We have strong registration for the Fall Conference in College Park. However, we also have significant extra-budgetary expenses for the conference, in particular for ASL interpretive services.

2. Average returns on investment for MARAC's accounts during the previous quarter (rounded to the nearest hundredth of a percent) follow. The investments had a loss in value for the quarter.

- PNC Savings Account: 0%
- Vanguard Bonds: (-1.94%)

3. The proposed budget for the Spring 2023 virtual conference (see second attachment) is included for discussion and vote at this meeting. It reflects the actual expenses of the Spring 2021 virtual conference plus some updates to rates. It is presented for your review and approval.

# MARAC Historian Report (for the October/2022 MARAC Steering Committee Meeting in College Park, MD)

As can be imagined, my attention this quarter has been focused almost exclusively on projects related to the Fall/22 meeting in College Park.

Chief among these was ongoing work as a tri-chair of the 50<sup>th</sup> Anniversary Committee—convening meetings; coordinating decision-making, preparing minutes and reports to both the Anniversary and the Steering committees in MARAC.

Much of my available time was spent in preparing a five-panel exhibit on the history of MARAC itself, to be deployed in the conference hotel for viewing. In this regard, I want to acknowledge the fine work carried out on this project by Joni Floyd, MARAC Archivist at UMD and her Graduate Student Assistant Susannah Holliday. In addition, Jodi Koste (Virginia Commonwealth University), worked with me on writing the narrative text for the exhibit. This project would not have been completed without the individual and collective talents of these archivists.

Additional projects of note include:

- Assisting Special Collections staff in Hornbake with preparations for its Open House during the Fall/22 meeting (as listed in the meeting program);
- Budget planning for the 50<sup>th</sup> Anniversary Committee;
- Final planning in recognizing "charter members" of MARAC attending the College Park meeting;
- Preparation of a presentation as part of Session #1 at the meeting (dealing with the history of the relationship between MARAC and the Society of American Archivists);
- Final planning for the first plenary session, scheduled for Thursday afternoon;
- Completion of an anniversary-article that interviewed two MARAC founders who attended the very first MARAC meeting in Wilmington, DC in Fall/72 (published in the Fall issue of the MAA);
- Working with Doug McElrath (University of Maryland) in securing anniversary cakes from local bakers for the Thursday anniversary reception.

I am looking forward to participating (and enjoying) the upcoming anniversary meeting here in College Park.

> Development Coordinator Report Steering Committee Meeting October 19, 2022

The silent auction for the fall meeting is ready to go. As of the time I am writing this report, a total of 66 donations were completed for the auction. There are a few outstanding commitments but even if they do not make it there is more than enough for the auction. The auction has been promoted through emails to the membership and on social media.

I have been overwhelmed by the generosity and talent of the donors and appreciate those who have signed up as table monitors. I would also like to thank our administrator, Sara, for her help.

I will be working with members of the Finance Committee to research alternative options for our investments during the last few months of my term.

Respectfully submitted,

Margaret Turman Kidd

# Fall 2022 NATIONAL COALITION FOR HISTORY Report MARAC Steering Committee Meeting, Oct. 19, 2022

# NCH ENDORSES NOMINATION OF DR. COLLEEN SHOGAN AS NEXT AOTUS

Last month the National Coalition for History sent a letter to Senate Homeland Security and Governmental Affairs Committee (HSGAC) Chairman Gary Peters and Ranking Member Rob Portman endorsing the nomination of Dr. Colleen Shogan to be the next Archivist of the United States (AOTUS). Her confirmation hearing was September 21. At the request of the committee, NCH submitted a series of questions for the nominee, including one posed by MARAC regarding the privatization of presidential libraries. (See the full list of questions at <a href="https://historycoalition.org/wp-content/uploads/2022/09/NCH-Questions-for-AOTUS-nominee-9-12-22.pdf">https://historycoalition.org/wp-content/uploads/2022/09/NCH-Questions-for-AOTUS-nominee-9-12-22.pdf</a>)

The following week, the Committee failed to favorably report the nomination of Dr. Shogan as Archivist of the United States. The vote was along party lines, 7-7. Chairman Gary Peters (D-Mich.) will work with Senate Majority Leader Schumer to have her nomination discharged from the committee and brought to the floor at a future date. While this does not mean that Dr. Shogan won't be confirmed, it does mean the process may take longer than anticipated.

# NCH URGES LEGISLATION TO REDUCE BACKLOG OF VETERANS' RECORDS

There is a continuing backlog of over 500,000 records requests from veterans still pending at the National Personnel Records Center (NPRC) in St. Louis. Because of the pandemic, the NPRC was closed for two years and only returned to full in-person staffing on March 7, 2022.

Acting Archivist of the United States Debra Wall sent a letter to the House Oversight and Government Reform Committee recently providing an update on the ongoing work to eliminate the backlog. While the backlog is slowly decreasing from its peak of 603,000, it is notable that NARA was unable to provide an estimate as to when they will be able to clear the outstanding requests which are estimated at 500,000. Veterans rely on their service records to prove eligibility for medical treatment, unemployment assistance, housing, and many other benefits.

On July 14, by an overwhelming bi-partisan vote of 406-21, the House passed HR 7337, the "Access for Veterans to Records Act." If the bill becomes law, it would require NARA to provide its congressional appropriations and authorizing committees with a detailed plan and target timeframes to eliminate the backlog, and strategies to prevent a future records requests backlog. The bill would also authorize \$60 million for NARA to modernize its information technology infrastructure and to digitize documents since a large volume of veterans' records are only available on paper.
