Additional Information

MemberClicks Upgrade: The upgrade to the back end of MemberClicks occurred on December 21, 2017. The upgrade entailed rebuilding the MARAC database and features in the new platform. Don Sailer and I worked closely with MemberClicks in preparing for the upgrade with weekly phone conferences and daily prep work. The new system provides improved accessibility for members on the front end and stronger financial integration. Rebuilding functions within MemberClicks, learning the new system, making adjustments, and troubleshooting issues has taken a significant amount of time and is ongoing.

<u>Fall Conference:</u> Use of the online registration form and mobile credit card swipe improved the efficiency of on-site registration and payments.

<u>Mid-Atlantic Archivist</u>: The Winter 2018 newsletter was uploaded to the website on January 15, 2018. Members who requested paper copies should receive them by January 26th.

Elections: The 2018 Election will be launched on January 26, 2018 and will run until February 9, 2018. Only those people who were members as of January 15, 2018 will be permitted to vote. We expect to mail 29 paper ballots and send out 857 e-ballots from Survey Monkey.

Spring Conference: The printed program for the MARAC Spring 2018 Conference in Hershey will be mailed the third week of January. Online registration will go live at the same time.

Report of the Chair-elect

- 1. One appointments has been made since the Buffalo meeting. It was to the Web Team. The letter was sent out. Still haven't heard if the vacancy on the Meeting Coordinating Committee has been filled.
- 2. Chair-elect arranged the meeting for today.
- 3. Chair-elect suggested to the Chair that the Chair's duties should be divided between the two of them, especially since this year is supposed to be a learning time for the Chair-elect. Currently, the only duties the Chair-elect has is to appointment new committee members when vacancies occur and to fill in for the Chair if the need arises.

MARAC Historian Report January/2018 (for the MARAC Steering Committee Meeting in Washington, DC)

I am continuing to assist MARAC Archivist Liz Novara with appraisal work on recently-accessioned files earmarked for inclusion into the core archival collection.

In addition, Liz and I have continued to work together on a records retention plan for MARAC.

I am also working on updating various chronological leadership lists and on mini-histories of certain aspects of our administrative history, such as the history of strategic planning in MARAC

Records Retention Schedule

I am continuing to work on drafting a detailed records retention schedule with the assistance of the MARAC Historian, Lauren Brown.

DRUM Submissions

There have been 9 conference presentation submissions to the DRUM (Digital Repository at the University of Maryland) since the October 2017 Steering Committee meeting. Most relate to the Buffalo conference, but 2 related to previous conferences.

Processing

Lauren Brown, the MARAC Historian, continues to volunteer his time to work on appraising materials in the MARAC archives that have accumulated over the last few years.

Reference

Since October 20, 2017 (last report), there have been no reference questions submitted to the MARAC archivist or the MARAC historian.

Respectfully submitted,

Elizabeth A. Novara MARAC Archivist

Web Team Report

Steering Committee Meeting Washington DC January 19, 2017

Web Team members: Liz Caringola, Christy Fic, Anastasia Matijkiw, Laura Montgomery, Don Sailer

Updates since the last Steering Meeting:

The Web Team has completed the upgrade to the new MemberClicks platform, a process which had been split into two parts: the new website template and an update to the administrative backend.

Website

The new website template launched in July 2017, but the Web Team is continuing to work on improving the MARAC website. Liz has been working on "refreshing" sections of the site, starting with Caucus pages. For an example of how the revised caucus pages look, see New Jersey (http://www.marac.info/new-jersey-caucus). Before and after screenshots are attached to this report.

After updating Caucus pages, the web team will continue improving other sections of the site, including Upcoming Conferences and Committee pages. We will be in contact with committee chairs before making any major changes.

Administrative Backend

Don worked closely with Sara to upgrade to the new administrative backend on the MemberClicks platform. After a number of conference calls with MemberClicks HelpDesk, the new administrative backend went live on Friday December 22. The new administrative backend is a completely new system, which should help reduce the problems we experienced with the old system (i.e. e-lists). MARAC members will likely not notice any changes until they log into their account on the website or use one of the new forms. The Web Team will continue to help troubleshoot any problems that arise regarding the upgrade to the new administrative backend.

The old administrative backend (MemberClicks Classic) was not deleted during the upgrade. The MARAC Administrator can access information in the old database as necessary.

New Web Team Member

Laura Montgomery (Archivist at the New York State Archives) joined the Web Team in January. Christy Fic (Archivist & Special Collections Librarian at Shippensburg University) is transitioning off the Web Team. Christy has been a huge help to our team, especially during the period before Sara started as the new MARAC Administrator.

Other tasks include:

- Liz and Anastasia maintained the Job Opportunities page
- Liz made updates to caucus pages as requested.
- Don made updates to committee pages as requested
- Don continued to update Contact information on all Committee pages.
- Don is investigating options to reduce spam that is submitted via the new Submit Proposals to Steering Committee form.

Respectfully submitted,

Don Sailer

Winter 2018 NATIONAL COALITION FOR HISTORY Report MARAC Steering Committee Meeting, NARA, Jan. 19, 2018

TAX BILL THREATS AVERTED, BUDGET STILL UP IN THE AIR: The final Tax Cuts and Jobs Act, signed by President Trump, did not include the taxation of graduate tuition waivers or the elimination of the Historic Tax Credit, both of which were threatened in earlier versions of the legislation. Regarding the budget, federal funding for history-related agencies and programs remains uncertain. Unfortunately, Congress continues to delay passage of a FY18 federal budget. The current deadline is January 19, but another continuing resolution extending into mid-February looks likely. Some have even suggested that Congress may avoid passing a FY18 budget altogether, keeping programs funded at FY17 levels instead. Stay tuned!

NEH AWARDS \$12.8 MILLION IN GRANT FUNDING: The National Endowment for the Humanities recently announced the awarding of \$12.8 million to support 253 humanities projects across the country. Projects range from digitization of historic African American church records to archival research for a book on the Nazi plunder of musical instruments and manuscripts during World War II, to an educational game exploring the ratification of the Constitution, and hundreds of other vital projects. See the full list of awards at https://www.neh.gov/files/press-release/december_2017_neh_grant_awards.pdf.

FAVORABLE ORAL HISTORY REVISIONS MAY BE SHELVED: Following extensive advocacy efforts from the NCH and its partners, in January 2017 the Obama administration released revisions to the federal Common Rule governing research with human subjects. These changes, meant to take effect on January 19, 2018, would exempt oral history projects from disruptive and unnecessary Institutional Review Board oversight. However, the Department of Health and Human Services is now proposing an indefinite halt on the implementation of the revisions, a move that could continue to hamper the work of historians across the country. The Office of Management and Budget (OMB) Office of Information and Regulatory Affairs (OIRA) would need to approve the new rule before January 19 in order to avoid the regulations taking effect. It is unclear what the impact would be if OIRA were to approve the delay after the deadline.

IMLS REAUTHORIZATION LEGISLATION INTRODUCED: Senator Jack Reed (D-RI) recently introduced legislation to reauthorize the Institute of Museum and Library Services, the primary federal agency that funds museum programs across the country. NCH will be advocating for the bill's passage. This year's reauthorization must be passed by both the U.S. Senate and the U.S. House of Representatives before it can be sent to the President to be signed into law.
