

Chair's Report Summer 2016 Steering Committee Meeting July 14, 2016

Bylaws Transition

As of July 1, we adopted the revised MARAC Bylaws. The Transition Team has been working feverishly, reconfiguring the committee structure to insure a seamless transition. The Bylaws stipulate a new officer position, Chair-Elect (Vin Novara), who will make all official committee appointments, communicate regularly with committee chairs, and work closely with the MARAC Chair in preparation to assume that office after one year. All committee chairs are responsible for reviewing committee descriptions on the web site and on the MARAC Operations Manual (http://marac-operations-manual.wikidot.com/). Please send edits to the Web Team at (webmaster@marac.info). Committee chairs should fill all committee vacancies as needed. Once you have identified an individual willing to serve on your committee, please email the Chair-Elect.

MARAC table at SAA

Communications Co-Chair Liz Scott is coordinating a MARAC information table at the upcoming SAA conference in Atlanta. The MARAC table will be located on Level 2 of the conference area near where all the education sessions take place. Please visit and/or sign-up to staff the table for a few hours Thursday – Saturday of the SAA conference.

MEMBERCLICKS

Over the past six months, the MARAC Web Team, with help from Sharmila Bhatia, has been assessing our Association Management Software (AMS) and subsequent web options in order to propose a recommended course of action to the MARAC Steering Committee. After an extensive review process, the Web Team has completed their research and is ready to make a recommendation. Please review the Web Team's report and recommendation for a two-phased approach for handling both our website and the membership database. This report summarizes their findings and outline the proposed implementation plan.

ADDITIONAL INFORMATION

<u>Membership Renewal Stats:</u> Membership renewal information for the 2016-2017 membership year was sent electronically to 1,035 active members on July 1, 2016. Note that 62 members (of the total 1,097 active members) had already renewed their dues for the 2016-2017 membership year prior to July 1, and therefore would not need to renew. Additionally, membership renewal documents were mailed to the 149 members who had requested paper renewal forms. The new 2016-17 application forms were added to the MARAC website on July 1.

Thank you to Membership Development for testing both the new and renewal 2016-17 Membership Forms for MARAC!

MARAC Multiple Conference Advertising Flyer

In preparation for the upcoming SAA Conference along with our MARAC conferences, we assembled a flyer featuring the MARAC upcoming next three conferences. After collaboration with the LAC members from all of the conferences, this flyer has been printed and will be given as a handout at SAA. The flyer will be updated again in time for the Annapolis conference to feature the next three conferences and so on. This document will be included in the supplement packet handed out at the conferences and extra copies will be placed at the registration desk. David Ranzan, the MCC Vendor Coordinator will also be handing out this advertising flyer to vendors at each conference.

<u>Fall 2016 Annapolis Conference</u>: Online registration for the MARAC Fall 2016 Conference in Annapolis, MD will go live the second week of August. We currently have 11 exhibitors that have registered with a total of \$6,750 anticipated revenue.

<u>Continuing Education Workshops:</u> MARAC will hold a Codecs workshop in conjunction with Delaware Valley Archivists Group on July 19th. We had an excellent response so far with over 40 registrations and George Blood will be the instructor. The next MARAC workshop will be held on October 3, 2016 at the University of Maryland, Baltimore County (UMBC), Maryland. Vincent Novara will once again be the instructor for this Project Management workshop.

MARAC Vendor Coordinator and Treasurer Summer Meetings

The outgoing Treasurer and the Administrator met with the MCC Vendor Coordinator this summer to examine workflow and update the MCC manual accordingly. Also the new MARAC Treasurer visited with us to review the financial processes.

Report of the Chair-Elect Summer 2016 Steering Committee Meeting July 12, 2016

Per the updated by-laws, my term officially began 1 July 2016.

- 1. Membership of the Standing Committees
 - a. Checked in with each committee chair about the status of the committees; discussed pressing issues for each chair
- 2. Took part in a conference call on May 9 with Ilhan Citak, Brian Keogh, and Elizabeth Scott to discuss the new Communications Committee and plans for the near future
- 3. Have initiated investigating options for specific aspects of MARAC's web communications
- 4. Have initiated having more consistent practices in place for the transition process for new Caucus Reps

Respectfully submitted, Vincent J. Novara

RE: TREASURER/FINANCE COMMITTEE REPORT

Respectfully submitted to the Steering Committee on Thursday, July 7, in advance of the Summer 2016 meeting to be held in Baltimore, MD on July 22, 2016.

- 1. Highlights of the Fourth Quarter Treasurer's Report (see attached) are listed below.
 - The income is from membership dues, Spring 2016 conference income, MAA advertising, publication sales, off-meeting workshop income, bank and investment interest, and gifts to general operations and the restricted funds.
 - Expenses are from administrator's salary (this line is higher this quarter than is typical because the MARAC officers decided to provide the administrator with a bonus in recognition of her extra efforts this year in leading the association managements software assessment team and in assuming responsibilities to coordinate the work of the web team), MemberClicks fees, insurance, office supplies, phone charges, Steering Committee food as well as Administrator food, travel, and lodging for the spring meeting, printing and mailing charges, Spring 2016 conference costs, honoraria and scholarships, and credit card transaction fees.
 - The FY operating budget loss is primarily due to higher than expected expenses associated with the Pittsburgh meeting, as well as higher than budgeted administrative services costs due to a significant increase in work asked of the Administrator this year.
- 2. Average returns on investment for MARAC's accounts during the previous quarter (rounded to the nearest hundredth of a percent) are listed below.
 - PNC Savings Account 0.12%
 - Vanguard Bonds 3.88%
- 3. Attached is the final financial report for the Spring 2016 meeting in Pittsburgh, PA. Despite paying a penalty for failing to meet the overflow room block, the meeting made a profit of \$1,570.68.
- 4. A dues increase was approved at Spring 2016 Business Meeting, from a rate for regular members of \$35 to a new rate of \$45. This increase should greatly assist MARAC in avoiding budgets as tight as have been the case for the past few years, or operating at a loss, while still allowing us to improve services to members and maintain high quality programming.

MARAC Archivist Report Steering Committee Meeting University of Baltimore July 11, 2016

I am happy to submit to you my first official report as the fourth MARAC Archivist. As Lauren Brown's previous reports have noted, Lauren and I decided to submit separate reports – one from the MARAC Archivist and one from the MARAC Archives Coordinator (Historian), since these positions are now independent from each other.

Questions/Topics for the Steering Committee

Although I will not be able to attend the Steering Meeting in Baltimore to discuss this topic, I am planning to attend the meeting in Annapolis and would like to discuss the UMD Libraries DRUM Repository, where MARAC conference presentations are currently stored. Specifically, I would like to discuss:

- 1). What is the value of the conference presentations to MARAC? Should we continue to document these presentations or not?
- 2.) If we continue to document conference presentations, then how do we streamline the submission process to make it less burdensome for the Archivist and UMD Libraries staff?
- 3. How can this process (if it continues) be better-documented and publicized more broadly?

Please consider these questions for the next meeting.

Processing

Lauren Brown, the Archives Coordinator, is volunteering some of his time to work on appraising materials in the MARAC archives that have accumulated over the last few years. This includes both paper and electronic records.

During the spring 2016 semester, an MLIS graduate student, Sarah Hedlund, began additional processing work on the MARAC archives. Sarah began integrating the materials that Lauren had selected into the processed portion of the archives. She mainly concentrated on recent conference programs and newsletters. During this process, Sarah assisted in identifying and discarding any duplicative materials. She also began revising the finding aid to reflect these changes, but the updates are not yet reflected on the online version of the finding aid.

Electronic Records

DRUM (Digital Repository at the University of Maryland) - DRUM is currently being used to store MARAC conference presentations. Almost all submitted presentations through the last conference in Pittsburgh (Spring 2016) are now available in DRUM, with some exceptions. http://drum.lib.umd.edu/handle/1903/12510

General Electronic Records - The UMD Libraries is still in the process of determining how best to ingest, preserve, and make accessible electronic records. We are already accumulating many electronic records in the MARAC archives. Some floppy disks and other portable media from the "paper" records have been imaged and backed-up to more secure storage. Plans are underway to describe the available electronic records in the online finding aid.

In April, Tammy Hoffman, MARAC Administrator, contacted the Archivist in regards to archiving electronic records from the Member Clicks website in preparation for a potential move to a different platform. It was decided that the MARAC Web Team would send the zipped files to the MARAC archives via Google Drive. The files (398 MB) were downloaded by the MARAC Archivist on July 11, 2016.

Reference

Since January 1, 2016, there have been a total of 6 reference questions submitted to the MARAC archives, all by MARAC officers. One of these questions was about the June 1972 organizational meeting for MARAC and was answered by Lauren Brown, the Archives Coordinator.

Respectfully submitted,

Elizabeth A. Novara MARAC Archivist

MARAC Coordinator Report July/2016 (for the MARAC Steering Committee Meeting in Baltimore, MD)

Since my retirement from the UMD Libraries in 2015, the positions of MARAC Archivist and MARAC Coordinator are now held by two individuals: Liz Novara has become the fourth MARAC Archivist since the formation of the MARAC Archives in 1975; I am continuing on as the MARAC Archives Coordinator. These are closely-connected but distinctly separate positions, as spelled out in the text of the current MARAC Operations manual.

Subsequently, Liz and I have decided it would be best to provide the MARAC Steering Committee with separate reports, going forward. She is posting a report on activities pertaining to the MARAC Archives as the current Archivist, and I am posting this report which focuses on my work as MARAC Archives Coordinator.

Per the current duties of the MARAC Coordinator position, I attended the Steering Committeee meeting in Pittsburgh and brought back to the MARAC Archives the most recent conference program materials and newsletters, as well as some other materials destined to be included into the MARAC Archives. I also coordinated the distribution and signing of various MARAC awards, although I trust this activity will be handled in the future by the newly-formed Awards Committee. I was also honored to be selected as the 2016 recipient of MARAC's Distinguished Service Award; this came as a total surprise but was most gratifying. In this regard, I feel the need to acknowledge and express my appreciation to so many colleagues in the UMD Libraries (including countless student assistants) who have done so much good work with the MARAC Archives over the years.

At recent Steering Committee meetings, especially at the Pittsburgh Steering Committee meeting, there was discussion of the evolving role of the MARAC Coordinator position. I proposed in April to change the designation of this position and rename it as "MARAC Historian". The Historian would continue on with all the reposibilities currently found in the MARAC Operations Manual for the MARAC Coordinator position, but would also add the following duties and activities:

- Provide, as needed, in-depth research reports (based on documentation found in the MARAC Archives) on any topic germane to current work being done by the Steering Committee or any officer in MARAC. For example (if requested), providing an historical compilation of joint meetings between MARAC and other organizations, with information on how hotel contracts were prepared and how work for those meetings (preparing conference programs, etc.) was divided between the two organizations;
- Prepare historical compilations and summaries of MARAC committees and initiatives, to facilitate quick access to historical information that otherwise might take many hours of research time to assemble;
- In coordination with the MARAC Archivist, proactively acquire or solicit documentation about historical developments in MARAC's history that are deemed insufficiently documented in the MARAC Archives. Potentially, on a selective basis, this might include work on oral histories with certain individuals in MARAC, so as to flesh out the story of MARAC's history, over time.
- Assist the MARAC Archivist with the production of exhibits or publications celebrating milestones in MARAC's history, for example with potential celebrations of MARAC's 50th anniversary in 2022.

Unfortunately, due to a family commitment, I will not be able to attend the July Steering Committee meeting in Baltimore. However, based on the favorable response received in Pittsburgh, I would like to proceed by drafting revised text for the MARAC Operations Manual, in advance of the Fall meeting in Annapolis, for approval at that Fall Steering Committee meeting in Annapolis

Lauren Brown, MARAC Archives Coordinator
