

New Jersey Caucus

Caucus Archival Projects Evaluation Service

CAPEX SURVEYS 1989 - 2017

The MARAC New Jersey Caucus in partnership with the New Jersey Historical Commission sponsors the Caucus Archival Projects Evaluation Service. This program provides organizations, churches, libraries and historical societies with a professional assessment of the conservation needs of their archival and historical collections. As part of the CAPES consultation, applicants receive a written report including the survey, and recommendations for changes in archival practices and physical facilities. For information visit:
